FIRST TOURNAMENT AS PRO — Congratulating Gene Littler (third from left) on his decision to turn professional and select the \$15,000 PGA approved Pro-Member Tournament as his first competition, are, left to right, Milt Hicks, tournament chairman; Johnny Dawson, club president; and Jimmy Hines, club pro, who withdrew to permit Littler's entry. Littler, National Amateur Champion, who led the field in the Convair-San Diego Open at its finish Sunday, will represent Thunderbird on the tournament circuit following play here.

Capital of World

Thunderbird Country Club just won't be topped in its presentation of the \$15,000 PGA approved Pro-Member tournament starting today, Thursday, and running through Sunday.

Besides the top 35 professionals of the country, the tourney also will feature the pro debut of Gene Littler, 23-year-old Navy veteran, who is National Amateur Champion. Littler announced his decision to turn pro on Tuesday, just two days after winning the Convair-San Diego Open Tournament, and Thunderbird Pro Jimmy Hines immediately withdrew to permit Littler's participation.

LITTLE, who outplayed all pros in the San Diego meet, after this tournament will represent Thunderbird Country Club on the rest of the tournament circuit, including the Masters Tournament in April at Augusta, Georgia, and then the \$35,000 Las Vegas, Nevada, play later that month.

The National Amateur Champion will not be eligible to play for money in tournaments sponsored by the Professional Golfers Association for six months. His discharge from the Navy becomes effective February 2, and resulted from recurrent attacks of hay fever.

HIS ENTRY provides one more incentive for sports fans throughout the nation to watch the tournament, and is an added reason why the gallery for the four-day event will be the largest in local history and perhaps surpass record gates in other areas.

Golfers like Ben Hogan, "Mr. Golf" himself, Byron Nelson, Dutch Harrison, Julius Boros, Lawson Little, Lloyd Mangrum, Jim Turnesa, Lew Worsham, Ed Oliver, Vic Ghezzi, Jimmy Demaret and 23 of the other top golfers of the country will be pitted against outstanding newcomers to the pro ranks—Littler, and Fred Wampler, winner of the recent Los Angeles Open.

WAMPLER was invited after his Los Angeles Open victory. See LITTLE, Page 5A

AID APPLICANTS TO BE SCREENED

Welfare and Friendly Aid association of which Mrs. Earl Coffman is chairman, and Chief of Police John S. Davis this week issued a statement of policy on applicants for relief and aid.

Because of the large increase in transients here who are becoming dependent on welfare agencies in Palm Springs, a joint statement was issued by Chief Davis and the Welfare society that only those who have been thoroughly screened by the police department will be eligible for help by the welfare agencies.

NAMED DIRECTOR — Earl Coffman, co-owner of The Desert Inn, was elected a director of Desert Bank to succeed Drexel Cooper of Indio, at the annual stockholder meeting last Wednesday. All other directors and President O. A. Torgerson were reelected.

Bank Merger Negotiations Under Way

Negotiations are pending for a merger of Desert Bank with Citizens National Trust and Savings Bank, Riverside, it was announced here this week. Request for approval has been made to the comptroller of the currency, and his decision is expected soon, after which the stockholders of the two banks must express their approval.

If this merger becomes effective, it will mean a combined capital structure of about 8 million dollars, with total deposits of over 120 million dollars.

Citizens has a number of offices in Riverside and San Bernardino counties, and was founded over 50 years ago. By joining forces, the communities served by the Desert Bank will continue to have the advantage of a locally-owned bank, but will gain from the broader service which the larger bank can render, it was announced.

Pleads Guilty

DeLong Held for Superior Court

John Richard DeLong entered a plea of guilty on a charge of grand theft of auto when appearing before Judge Eugene Theriault Tuesday and was held for superior court for sentencing.

A charge of burglary was dismissed at the preliminary hearing.

DeLong was arrested in Las Vegas, and charged with stealing the car of James Rinehart, 320 Camino Norte.

Varner Calls Civic Groups Into Meeting

Woman's Clubs' Proposals to be Put Into Action

Homer Varner, supervisor from the fourth, desert, district, has called a general meeting for Monday, February 1, at Desert Air hotel in Rancho Mirage at which time plans for a general desert clean-up campaign will be launched.

Varner acted on a suggestion by Mrs. Mary Wolseth of Cathedral City, chairman of the Coordinated Outdoor House-keeping committee of woman's clubs. Mrs. Wolseth credited the club, Mrs. S. P. Manasse for starting the movement when they offered rewards to Boy Scouts to rid the roadsides of beer cans and other rubbish.

THE MEETING will be a dinner session starting at 7 p. m. and open to the general public. Discussion of the clean-up campaign will start at 8 o'clock.

"Our roadsides certainly do indicate that we are poor housekeepers and display little pride in our efforts to do something about it," Varner said. "We certainly cannot point with pride to our roadsides to our desert visitors."

"IT IS PLANNED to invite off-sale liquor stores, service stations, county road commissioners, chambers of commerce, service clubs, city officials, Coachella Valley Advisory Planning committee, Parent Teacher associations, Woman's clubs, Boy Scouts, county planning commission and other interested individuals to this meeting."

Varner said that it is hoped to clean up Highways 99 and 111 before the annual date fair at Indio and then to extend the campaign to other roads. The campaign is planned to cover the entire area from Desert Hot Springs to the Colorado river.

"OUR ROADSIDES are a 'garbage pit' and 'rubbish dump,'" Mrs. Wolseth said in asking Varner to take action. "It will have to be an educational program since experience of other counties has shown that people will litter roadsides although they are within a short distance of a public dumping ground."

The California Roadside Council has been invited to send a representative to next Monday's meeting.

Coordinators Mayor's Group to Meet Tomorrow

Mayor Florian Boyd's Coordinating Council will resume monthly meetings Friday noon, January 29, in Dining Room No. 3 at El Mirador Hotel.

All organizations in the Village are represented on the council. Topic for this month's meeting will be: "What civic project do you consider most important?"

Hit-Runner Does Damage to His Yard

Hit-and-run property damage to the entrance gate of his yard at 416 Hermosa Place was reported to police Sunday by Henry Weinberger. Damage was estimated at \$10.

Indian Avenue Flooded in Whitewater Dam Break

Palm Springs itself again escaped damage in the rain storm Sunday and Monday, but the downpour to the north caused the breaking of the Whitewater River spreading dam and the endangering of traffic at a dozen river crossings between Indian Avenue and the Salton Sea.

Rainfall recorded here at Fire Station No. 1 was .25 of an inch up to 8 a. m., Monday, and .06 of an inch up to 8 a. m., Tuesday. This new rainfall made the total for the season, since July 1, 1953 at 2.54 inches.

The Whitewater River dam broke in two places, at the west end about one-fourth mile from Highway 111, and in the broad Whitewater Channel. The dam is 1.6 miles in length, covering most of the area from Highway 111 to the Southern Pacific tracks.

Coachella Valley County Water District officials toured the area Tuesday afternoon, following the flooding report of Monday night, and immediately started discussion relative to converting the retention dam to its original purpose of a spreading dam, and constructing a second dam or spreading grounds below the present dam.

INDIAN LAND RESIDENTS PROTEST PROPOSED CONGRESSIONAL ACTION

Landowners and Lessees of Palm Springs Indian Land this week started a telegram campaign against a proposed federal bill designed to terminate federal supervision over California's Mission Indians.

Nineteen telegrams were sent to United States senators, President George A. Frosser reported. Recipients were: Senators William F. Knowland, Thomas F. Kuchel, George A. Smathers, Spessard L. Holland, Guy M. Gillette, Bourke B. Hickenlooper, Andrew F. Schoepel, Frank Carlson, James E. Murray, Mike Mansfield, Dwight Griswold, Guy Gordon, Wayne Morse, Lyndon B. Johnson, Price Daniel, Milton H. Young, William Langer, Herbert H. Lehman and Irving M. Ives.

THE MESSAGES, all identical, read:

"Landowners and Lessees of Palm Springs Indian Land is against passage of bill terminating Federal supervision of Indians. We represent hundreds of voters of greater Palm Springs. We are

informed the majority of Indians oppose the bill, Vote No. Do not shove wardship on individual states already overburdened with relief problems."

The Interior Department last week asked Congress to approve legislation ending the Federal government's parental supervision over California's Mission Indians, and the Landowners group at their meeting Friday night voted unanimously to oppose the measure by telegram. Judge Vernon V. Hilliard, Murietta, candidate for Congress against incumbent John Phillips, was the speaker.

UNDER THE SUGGESTED law, the California Indians (including the Agua Caliente Indians) would take almost full charge of their own affairs within five years and be exempt from

real estate taxes for various periods of time. The bill would permit a state agency to watch over land transactions involving elderly members of the tribes. Irrigation facilities on Indian lands would be turned over to either the irrigation districts in which they are situated or to landowners using the project.

ALL OF THE proposed bills would make the affected Indians subject to the same Federal and State laws that apply to other citizens. The laws would also end special Federal services such as building roads, schools and hospitals, for these Indians.

The Department of the Interior endorsed the series of bills in response to a House resolution last year. They affect 66,000 Indians in 10 states.

SURVEY SHOWS SOURCE OF VILLAGE VISITORS

Hotels and apartments in Palm Springs had 54 percent occupancy during the week ending January 9, according to information received in the first weekly survey being conducted by the Palm Springs Chamber of Commerce, President Harry Paisley announced this week.

The survey is being conducted among Chamber members to aid the Chamber in its promotion work. Any non-member of the Chamber may participate by contacting the office at 6111. California and Washington visitors accounted for the largest percentage of occupancy, with 22 and 21 percent of the

total respectively. Paisley said. Other states and their percentage figures are: Illinois 19, New York 12, Oregon 10, Michigan 8, Minnesota 6, and miscellaneous 2.

The returns from 50 percent of the hotels contacted, reveal that 72 percent of the visitors came by car, 15 by plane, and six and one-half each by train and bus.

Average daily rental rate during this period for a European plan double was \$15.63. Hotel owners have received their questionnaire for the second week, and are asked to return it as soon as possible, Paisley said. No identification is to be included on the return card.

The PUBLISHER'S Corner

WHAT THE FUTURE HOLDS for Palm Springs will depend a great deal upon decisions to be made in the next six months by the city administration, retail business men and hotel operators, and the residents in general. Because of the keen competition among resorts, and gradually changing economic conditions, the future prosperity and stability of this whole resort area is at stake. Like an expanding economy, Palm Springs cannot stand still; it must grow. That growth must be orderly and in the right direction.

We can't fill all the needs of the community in one or two years. Most people are pretty much agreed on what the needs are; opinions differ on the order of their importance. Therein lies the problem.

The needs are divided into three general categories: 1) Entertainment and recreation. 2) Civic improvements and municipal affairs. 3) Promotion. Without any attempt to rate them in order of importance, we wish to point out the subjects in these three groups about which we have heard the most discussion in the community, and give some of the views.

ENTERTAINMENT AND RECREATION — A civic auditorium is considered by many as the most important need of the city. Others believe a municipal golf course is a must. Horse racing is another form of entertainment that is favored strongly by many interests in the community because it can be brought here with no cost to taxpayers. The issue here is whether the people do or do not want racing. As to the auditorium or golf course, the moot question is: How can they be financed and which should come first?

CIVIC IMPROVEMENTS — MUNICIPAL AFFAIRS — Plans are already under way for building a new city hall. A question here is whether or not this is to be placed in importance over needed recreational facilities. Another matter in which everyone should be vitally concerned but about which little is being done — is the changing status of the Indian lands. Of considerable importance is the city election this Spring at which four city councilmen will be elected.

PROMOTION — This is the subject on which there seems to be the widest divergence of opinion. It comprises advertising, publicity, conventions and events program. These matters are now handled for the most part by the Chamber of Commerce, with financing from tax funds provided each year by the vote of the city council. The program has not had the whole-hearted support of all groups. The need here is definitely for better cooperation which would result in a stronger promotion program. Some strong leadership will be required to bring this about.

It would be interesting if a poll could be taken to determine how our residents and business interests feel about these subjects — and to learn how they rate improvements in order of importance. We would like to have letters to the editor expressing opinions of the people on these subjects. They might also help to stimulate interest on the part of others. Opinions of visitors and winter residents are important. Letters must be signed but initials only will be used if requested. Some serious thinking is very much in order. That much is certain. Palm Springs has made great strides forward during the past few years. But we can't sit back and rest on our laurels. We have to be on our toes — always.

This Side of The Sun

By Phat,

(Ed. Note—The verse intended to start this column today was all about the beautiful weather. . . . The feeling of Spring. . . . And so on. . . . But the voice of experience told me to lay off. . . . In the past whenever I bragged about the weather, it turned sour before the paper hit the streets. . . . So today, write your own.)

SPEAKING of the weather. . . . There were several villagers singing that song, "I've Got A Rainbow Around My Shoulder" Monday morning. . . . Seems that at the end of the night's storm, a beautiful rainbow formed up against the mountains shortly after dawn. . . . One telephone caller said that from Ramon and Indian, a perfect arch was seen with one end going into the tower of El Mirador. . . . Seven in all, called about that rainbow. . . . They're sort of rare here, it seems. . . . And Mrs. Asher Levy called to tell about a moon rainbow at 12:30 a. m. Monday. . . . Perfect arch, not like a circle around the moon. . . . And so bright, the colors were distinguishable. . . .

STILL ON THE WEATHER . . . Bob Howard of Howard Manor says he's going to give a plaque to the weatherman. . . . Well, the latter deserves it this season. . . . All of our rains have been in midweek and mostly at night. . . . Last Sunday the rain held off until the races were over and, after a generous downpour, let up again in time for the pros to practice at Thunderbird before large galleries. . . . Can remember not so long ago when midweek would be bright and typical Palm Springs and every

Admits Attempt at Robbery Next to Police Station

Harry Joseph Foguth, 39, admitted the allegations of armed robbery when appearing before Judge Eugene Theriault Monday afternoon, and was bound over to superior court for sentencing.

Foguth was arrested last week by Sgt. Robert Young within minutes after he had attempted to rob Attendant Robert French at Fred's Texaco Service station, which is located next door to the police department.

French gave the alarm by watching when Foguth's attention was diverted for a minute and then running next door.

Admits Stealing Trailer Here

David Whittaker, San Diego, returned here on charges of stealing a trailer in 1951, admitted the allegations in justice court and was bound over by Judge Eugene Theriault to justice court for sentencing.

His arrest came just three months before the statute of limitations would have applied to the case.

Fourth of Fatal Wrecks Involve Only One Auto

"It doesn't take a second car to make a fatal crash."

Authority for this statement comes from provisional statistics released by the California Highway Patrol which indicate that more than one-fourth of all fatal accidents during 1953 were non-collision accidents. Of 2,395 fatal accidents, 766 or 26.4 per cent, involved only one car.

"Most common types of non-collision accidents are those that occur when a car goes out of control and overturns on a roadway or runs off the roadway," commented B. R. Caldwell, patrol commissioner.

"Many factors figure in these non-collision accidents but errors of driving judgment are responsible in the vast majority of cases."

"Common errors," he said, "include traveling too fast for conditions, especially on strange roads; permitting distractions or obstructions to interfere when driving; continuing to drive when overtired or sleepy; overdriving headlights; and operating cars that are in unsafe mechanical condition."

"The driver himself can control these conditions in the vast majority of cases," he cautioned.

Other types of non-collision accidents which contributed to last year's non-collision toll included occupants falling from moving vehicles, mechanical failures and fires, and accidents caused by wheels or other parts coming off the vehicle.

Brigit Originals, Newest Village Shop, Opens Doors

Imported cashmere sweaters in original designs are to be found in Palm Springs newest shop in the Sunset Tower building, at 120 Via Lola, next door to Don the Beachcombers.

Known as "Brigit Originals," the sweater chest was opened this week by Mr. and Mrs. Victor Gibbs. The shop takes its name from "Mrs. Brigit," the three-year-old Harjes poodle owned by the Gibbs.

The polite, well-behaved little dog is very friendly to visitors and very proud of her three sons, who have their own gaily-cushioned bench behind a wrought iron gate. "Mrs. Brigit" is the granddaughter of the famous "Baccarat."

The smart shop is a display case for something very new and different in sweaters. They are original designs by Mrs. Gibbs and feature ribbon trim and braid, and hand crochet decoration. Mostly in the casual manner so well adapted to Palm Springs wear, they can be made to order to match costume colors, Mrs. Gibbs said.

Mr. Gibbs was engaged in sportswear business in the mid-west before coming to Palm Springs.

A friendly, informal cup of coffee awaits the customers who drop into this new shop to see what is the newest thing in sweaters.

The Art of Self-Control

A famous physician, Dr. Loring Swain, professor at Harvard Medical School and head of the American Rheumatic Association, tells of making a speech about how the cure of various maladies has been helped by religious faith.

After his lecture, a man came up from the audience and asked Dr. Swain to give him a few moments. He explained that, when he was sixteen years old, he had fallen off a horse and injured his head. From that time on, he had a wild and ungovernable temper.

Now he was a contractor and whenever he negotiated a contract with someone, he always had to have an intermediary present because he could not have a discussion without getting terribly angry. If he played golf, he would smash his club against a tree when he missed a shot. In some games, he had broken half a dozen clubs. When once someone spoke to him while he was playing billiards, he brought the cue down on the edge of the table and broke it.

"How," he asked, "can I control this violent temper of mine?"

Dr. Swain answered: "If you will put your faith in God and believe that He will give you self-control, you will be freed from the handicap of your bad temper. It is as simple as that."

So sincere was Dr. Swain's assurance that the contractor decided this was something he should try. He put himself and his temper in God's hands and asked for help.

"Something has happened to me," he reported a month later. "I can't get angry any more. And I have had the most intense provocation. Once I got a little irritable, that's all—but no temper."

Dr. Swain reports that today, years later, this man has full emotional control.

Anyone can learn to control temper in the same way. More people have destroyed themselves, their futures and their opportunities by ill will, resentments, irritation and annoyance—in a word by bad temper.

weekend was "unusual" damp and soggy. . . Got so bad it was suggested that Palm Springs change the calendar. . . Put weekends on Tuesdays and Wednesdays.

HAVING GONE through U.S.C. . . (In the front door and out of the back, almost) . . . I didn't like Dick Hyland for a long time. . . He was always saying mean things about my favorite Trojans. . . But I've changed my mind. . . Whenever Hyland writes about sports events in Palm Springs he always manages to ring in the sun and perfect weather near the start of his columns. . . Generally gets some reference to the sun in the first paragraph. . . Monday's Times' column by Hyland regarding our road races mentioned sun and sand. . . In another L. A. paper, the writer said the racers finished up in the rain. Which writer, naturally, has the Chamber of Commerce and my O. K.?

LOOKS like they made a mistake when they instituted coffee breaks for workers. . . Seems people are taking so much time off to drink so much coffee that the price per pound has zoomed. . . And an economist said solemnly this week that coffee breaks will have to be curtailed. . . Because if people continue to insist on a morning and afternoon cup of coffee the price will hit \$1.20 per pound soon. . . And another economic impact is that workers are spending so much time and money on coffee they are demanding wage hikes based on the cost of living index. . . But most places are still getting a dime although some are holding to eight cents per cup and in some other spots it's 15 cents. . . Anyway, if workers drink a lot of coffee it may keep them awake on the job.

COUNCIL recently ordered changes in the names of two city streets to avoid confusion. . . Moraga, which sounds like Morongo, a few blocks north, was changed to Olancha with which it ties in. . . But the street signs still say Moraga. . . Fred Weigel says this is original with him. . . Watching the golf tournaments around here, he remarked that it's too bad that when a man becomes old enough to afford to lose golf balls, he's too old to hit them that far. . .

Was much intrigued yesterday morning when reading in the public prints that police had arrested a blind bookie in Glendale. . . The article went on to note that he had his information in Braille. . . Which brings the obvious comment. . . All the dope at his finger tips.

Prudential Business Review Shows Cautious Attitude

Downward drifting of regional indicators from the high levels of recent months has caused many western businessmen to approach the new year with considerable caution, according to the West in Review, quarterly business summary published by the Western Home Office of the Prudential Insurance company.

non-farm employment fell off somewhat in all western states except Nevada and Arizona after reaching an all-time peak in September, according to the Review. In the states of California and Washington, the aircraft industry remained a bright spot.

THE PRUDENTIAL business summary points out that business during the fourth quarter

ness loans failed to show anything like the usual seasonal upswing in both the third and fourth quarters of 1953, although total indebtedness was about the same at year end in both 1952 and 1953.

"This unwillingness to go further into debt on a short-term basis reflected an increasingly cautious attitude on the part of western farmers and businessmen, as well as a tendency to maintain a more liquid position than has been customary in the recent past," the Review says.

"RESIDENTIAL BUILDING held up well during the fourth

quarter. In November residential construction in the 11 western states showed a 10 per cent increase over the same month of 1952.

"The outlook for California's huge aircraft industry remains bright. Current order backlog, military and civilian, are sufficient to sustain the industry at the current rate of output for at least two years."

ADMIRE TROPHY—Ken Miles' son is as impressed as his racing father with the trophy presented him by Mrs. George Cary, left, for winning the Desert Trophy Race in Sunday's competition at the Palm Springs Road Races at the airport.

EDWARDS, MILES, SHARE HONORS IN ANNUAL SPORTS CAR CLASSIC

Sterling Edwards on Sunday became the first two-time winner of the Palm Springs Cup Race, feature race of the Road Races at the airport.

The San Francisco sportsman raced to an easy victory in the event repeating his performance scored in the first year of the event in 1950.

SHARING HONORS with him was Ken Miles of Los Angeles who came through with his MG Special to capture first place honors in the Desert Trophy Race. This was the start of a new win series for Miles, who had been edged by only feet in the final event of Saturday after having gone unbeaten for two years.

The Los Angeles driver came in third in the Palm Springs Cup Race where he was competing with cars of larger engine size.

The races attracted between 15,000 and 20,000 spectators, with rainfall in other areas discouraging many from attending the thrill-packed features. Miles placed third in the Palm Springs Cup Race, which was captured by Sterling Edwards, San Francisco sportsman.

Indians to Meet Perris Friday

Comeback trail beckons to Coach Ralph Watt's Varsity high school cagers Friday night when they travel to Perris to meet the equally winless Panthers.

Each team has dropped three games to be tied for the cellar position, with this game the opportunity to break their league losing streak and move up in the standings. Both were rated capable of causing trouble to any team at the start of the season, and both have dropped several close contests.

The Indians were dropped by Hemet last Friday night, 47 to 33, after a close first half, while the Perris team was losing a high-scoring battle, 65 to 55, to Beaumont.

The local squad also has a non-conference game scheduled next Tuesday night, when they entertain Brawley.

Other Riverside County League action Friday night has Coachella at Beaumont, Elsinore at Banning, and San Jacinto at Hemet.

Cravy's Defeat
Perris, 71 to 48

Cravy's became the first representative of the City Recreation League to win an exhibition game this season when the local cagers defeated the Perris All-Stars 71 to 68 Saturday night.

Hawks Outscore Mhoon & Mhoon in Exciting Game

Desert Nite Hawks won their eighth game of the season Monday night by edging Mhoon and Mhoon 51 to 49 in one of the most exciting games of the year.

Pete Youngberg of Mhoon and Mhoon narrowed the margin to two points in the last five seconds of play, and Bob Naughton missed tying the score in the final two seconds when the ball circled the rim of the basket and then dropped to the side.

Red Haynes topped the Mhoon and Mhoon scorers with 22 points on 11 baskets, and Wilfred Lucas was high point man for the Desert Nite Hawks with 12.

The races will start promptly at 1:30 p. m. in the parking area at the Polo Grounds. They may be watched from those parked cars which get there early enough.

Local novice riders will compete according to age and ability in quarter mile events on stock bicycles.

Speed exhibitions will be furnished by championship riders from all over the southland. They have competed here before and are eager to compete again.

Many trophies donated by Villagers and bicycle manufacturers will go to the winners.

World's Golf Capital

Thunderbird Members Bring Top Fame To Village by Untiring Efforts

By BILL RASHALL

For the next few days the name of this city will be printed in most of the newspapers of this nation. Sports commentators and news casters on radio and television will speak about this community and what is taking place at Thunderbird Ranch and Country Club.

There the top flight professionals and amateurs in the world of golf will pit their skill against each other—but the story behind this sports scene, important enough to draw nationwide and perhaps international attention, reveals the determination of a group of men to put Palm Springs and its resort area in the topmost bracket in the golfing world.

THIS STORY was drawn from Milton Hicks, tournament play boss at Thunderbird, hard civic worker and the president of the Palm Springs Builders Supply company.

Always an avid follower of the game, he and several members and officers of Thunderbird three years ago, when the country club was hardly more than a year old persuaded several professionals to come and play there while en route to tournaments under the auspices of the Professional Golf Association.

THERE HAD TO BE an inducement because these pros do not play for nothing. Some persuasive salesmanship went into play with the result that \$5,000 was raised for the money stakes. It couldn't have been as easy as Hicks reluctantly admitted to obtain that sum and he quickly recalled that others pitched in and helped considerably.

Members dug into their pockets and came up with the \$5,000. The second year the same method of procedure was used and \$10,000 was raised attracting a greater number of golf professionals.

AFTER THESE TWO tournaments, those golf playing members who dug deep into their wallets took a financial loss. In addition the club itself saw to it that no professional or newspaper man paid for any

food or beverage at the club which, in itself, came to a large sum.

Behind it all was one motivating force to give Palm Springs and Thunderbird a berth among the PGA's recognized tournaments.

This final goal was achieved with the tournament now in progress at Thunderbird with \$15,000 as the prize money.

THE TOP 25 recognized PGA money winners of last year selected by that organization to play in the tournament, plus Jimmy Demaret, Fred Wampler, Eric Monti, PGA representative, Vic Ghezzi, Lawson Little, Byron Nelson and Julius Boros, will be unable to spend one cent at the club and members whose homes are located on the club's grounds or elsewhere in the vicinity are guesting for these professionals and their wives.

Each member participating in the tournament has handed in \$150 to guarantee the \$15,000 in prize money.

None of the professional players, not even the last, will walk away from Thunderbird with less than \$200 in additional expense money—rarely if ever recorded in professional tournaments.

IN ADDITION to Hicks, who has been tournament "boss" since the first tournament took place at Thunderbird, Prexy John Dawson has labored long and hard. Official hosts are Joe Dyer, Ralph Kiner, Peter dePaolo and Barney Hinkle.

The entertainment committee composed of amateur golfers, but professional entertainers of Desi Arnez, Dean Martin and top calibre are: Phil Harris, Gordon MacRae.

THE RULES COMMITTEE another important segment of the tournament are John Dawson, Hicks, Bing Crosby and Bob Hope. Jimmy Hines is the golf pro host and the program and publicity co-chairmen are Frank Bogert and Paris Lettinger. Many others too numerous to mention played an important part in gaining PGA recognition.

And at last Palm Springs is in the hub of big-time national and international golf!

HUB CAPS STOLEN

Theft of four hub caps from her car was reported to police Saturday by Mrs. Evelyn Pell, 1620 Indian Trail.

IN CHARGE—Jack Kramer (above), one of the greatest tennis players of all time, will bring his tour of Davis Cup champions to The Tennis Club Saturday and Sunday, February 27 and 28, for the first outdoor world's championship professional tennis tournament of the season. The "champions" are: Pancho Segura, Pancho Gonzales, Don Budge and Frank Sedgman. Play will start at 1:30 p.m., each day, with singles and doubles being played for the \$3,000 prize money. The event will be a benefit for St. Theresa's school.

LITTLER ENTERS PGA PLAY

and now Littler has entered the field after his San Diego triumph—conclusive proof that Thunderbird Country Club is determined to present the top tournament of the country.

Play starts at 8:07 a. m., today, with Littler being the first to tee-off with his three amateur partners in the Pro-Member event. With him will be Fred Kehlet, W. L. Fairbanks and Robert Pierce. The Pro-Member part of the tourney will continue through Friday, and then the pros will go it alone for the final 36 holes Saturday and Sunday.

JIMMY DEMARET is defending pro champion, while the group hoping to repeat in the Pro-Member event includes Amateurs Ralph Kiner, Joe Dyer and Maynard Laswell, and Pro Ed Oliver.

Complete pairings for the Thursday and Friday play were published in Monday's Desert Sun.

THRILLS A-PLenty — Bronc riding is only one of the many crowd-thrilling features of the 1954 Palm Springs Rodeo, acclaimed as the top Rodeo in its history by General Chairman John Hollinger. Other spectacular feats to be performed by champion cowboys at the Polo Grounds Saturday and Sunday afternoons, February 6 and 7, are Brahma bull riding, a cutting horse contest, calf roping, team roping, and steer wrestling.

ling. One of the top crowd attractions will be the traditional parade Saturday morning, February 6, which this year will feature top riding groups and high school bands of the Southland. Dale Robertson, popular movie star, will be parade marshal, and Keta Boyer will reign over all events as Rodeo Queen. The Rodeo is sponsored by the Palm Springs Mounted Police, with proceeds going toward purchase of emergency rescue equipment.

Seventh Running of Maturity at Anita Saturday

Santa Anita Park is preparing for perhaps the largest attendance of the winter racing season this Saturday when the estimated, \$100,000 Santa Anita Maturity will be presented for its seventh running. It will be one of the four 'hundred grand' turf classics with the Santa Anita Derby on February 26, Santa Anita Handicap on February 27, and San Juan Capistrano Handicap on the turf course on March 6, to follow.

The Maturity, exclusively for four-year-olds going a mile and a quarter, has 21 eligibles out of the original 532 that were nominated when they were yearlings. By Zeus, San Fernando winner; Correspondent and Merryman, the star Cal-breds; Cerise Re ne, the top-ranking filly; Joe Jones, the eastern stakes-winner; and Straight Face, down in from Florida, he is the "top" line-up.

The new addition to the grandstand, furnishing accommodations to some 5,000 more persons, will be in use when the gates open at 11 a. m. and the first race starts at 1 p. m.

HOST PRO — Jimmy Hines is host professional for the \$15,000 PGA approved Pro-Member Golf tournament which started today at Thunderbird Country Club. The thirty-five top pros of the country plus numerous stars of the entertainment and sports field will play in the 36-hole Pro-Member part of the tourney Thursday and Friday, with the pros completing the final 36 holes Saturday and Sunday by themselves.

I RISE TO REMARK

By CONGRESSMAN JOHN PHILLIPS

The "Bricker Amendment" (Senate Joint Resolution No. 1) is concerned only with the internal effects of treaties and agreements. It says that a treaty shall not become domestic law in the United States, except by appropriate legislation. This is the situation in all other major nations.

The discussion, and the need of such legislation, comes from the after-effects of two world wars, the tremendous growth of executive bureaus (each with power to act independently), the increasing number of treaties and agreements, the formation of the United Nations Organization, and perhaps from the natural ambitions of men in power to act on their own judgments and to disregard constitutional limitations. Our Constitution was written so as to limit government, and one such limitation required the approval of the Senate in the making of treaties, yet when they were approved, they were to become "the supreme law of the land, anything in the Constitution or laws of any state to the contrary notwithstanding." (Article VI, paragraph 2).

Treaties have been drawn, or proposals are being made under the power of the United Nations charter, (a treaty in itself) which could impair the individual rights of U.S. citizens. These include the Genocide Convention, and the International Convention of Human Rights, provisions of which would impair our constitutional rights of jury trial, freedom of speech and press, and other basic rights. International agencies claim the right to draft treaties affecting our domestic rights.

THE BRICKER RESOLUTION is simple. I will write it here. "Section 1. A provision of a treaty, which conflicts with this Constitution shall not be of any force or effect. Section 2. A treaty shall become effective as internal law in the United States only through legislation which would be valid in the absence of treaty. Section 3. Congress shall have power to regulate all executive and other agreements with any foreign power or international organization. All such agreements shall have power to enforce this Article by appropriate legislation."

That's it! There is one amendment I would like to see. It would require a roll-call vote in the Senate to approve treaties. One treaty was ratified last year with only one Senator on the floor of the Senate and one presiding. Treaties with Greece and Turkey, which could put us into war to defend those countries, were ratified with 6 Senators present and voting. I would like to see the same requirement for passing appropriation bills. To me, Section 3 of the Bricker Resolution is extremely important. In the past 20 years, a system developed in the White House and the State Department of making "agreements," which did not have to be ratified by the Senate, instead of "treaties," which required ratification. Many of these agreements should undoubtedly have been treaties. The distinction was only to avoid reference to the Senate.

Opponents of the Bricker Resolution contend it would hamper the President in his treaty-making power. A careful reading of the resolution and the Constitution would suggest that this "hampering" if it exists at all, is only such a limitation of power as was intended by the Constitution. I repeat, no other major nation permits treaty interference with its domestic law without action by its legislative body.

Nelson Eddy Delights Large Throngs at Chi Chi

There's still gold in Nelson Eddy's voice and hair, and Chi Chi first nighters declared it a bonanza.

The man whose cinema musicals with Jeanette MacDonald made him a top movie star, is having a ball on the nightclub circuit and his audiences are sharing the fun.

The packed Starlite Room resounded with enthusiastic applause as Eddy sang "Symphony," "In the Still of the Night" and a potpourri of melodies from his movies, including "Rose Marie," "I Married an Angel," "Give Me Men."

His humorous presentation of "Shortnin' Bread" is perhaps the greatest evidence of the

new Nelson Eddy and his fans loved it.

Appearing with Eddy is the delightful Gale Sherwood. Her fresh young voice and beauty glamorize the act. Appearing first in a charming pink ball gown, she is a dream girl, and after she makes her change, she is undoubtedly the most enchanting blonde Indian maiden ever seen in these parts.

Opening the show are the dancing Los Moneros of Barcelona, a unique dancing trio. Amazingly enough, it's a papamama and daughter team, and their dancing has that Andalusian dash and color.

On all sides you hear the comment that Irwin Schuman is bringing Palm Springs to entertainment this season, as in the past.

2000 Children at Tennis Club to See Hopalong

An estimated 2,000 children visited Hopalong Cassidy (Bill Boyd) when he and The Tennis Club sponsored a party for all Village youngsters at the Club Saturday afternoon.

Hoppy and his famous horse, Topper, made a grand entrance at the rear of the club, through a specially opened area. He then gave a short talk to the children, permitted a large number of them to ride Topper, and then shook hands with each child and many adults following the program.

Each youngster present received Hoppy's special "Good Luck" coin.

The program was arranged by Hoppy and Sam Taylor and Lee Bering of The Tennis Club.

On The Trails

White Elephants . . . and the exciting chant of the auctioneer, were the highlights of a very gay party at the Los Compadres clubhouse last Saturday night. Cliff Campbell, auctioneer, was so expertly entertaining that bidding turned out to be riotous fun.

The party was given for members and their guests, with proceeds going to the Los Compadres land fund. Guest Charles "Sourdough" Grassell, brought a memo from Alaska as a white elephant, a perfect replica of an Alaskan canoe, made to scale and completely equipped. It was purchased by high bidder Tom Pierce, who, because he had actually fished out an exact duplicate of the miniature in Alaskan water, was delighted with his "elephant." Everything from fur-lined galoshes to red cellophane hula-shirts went on the block, with a bottle of good liquor thrown in. A charcoal broiled steak dinner before a glowing fireplace, and dancing to a lively band were other contributing factors to the well planned and successful party.

Sunday, January 31, Los Compadre members are meeting with a riding group from Tnouts and Palms at Hidden Springs Ranch on Ramon road at 10 a. m. It will be a pack-lunch ride into the hills beyond. This is beautiful country, but a little too far to ride from Palm Springs, so horses are being trailed out or trucked by Cliff Campbell. If you would like a real desert outing, call Perry Sanders at 5433, for further information.

The desert is all freshly dampened down in readiness for the big Palm Springs Mounted Police Rodeo, and Bronco Busters Ball, which will be held February 6 and 7. Get your invitations to your friends especially those out of town, now, as this season's affair promises to be the most exciting yet, and is a handsome way of entertaining and showing off our desert. We take this wonderful place so for granted, we forget that relatives and friends living in surrounding towns consider it a rare treat to "go to the desert" for even a day. Rodeo time is the time to invite them, so that they will see much in so little time.

The land, when acquired, will link the All-American canal with the new state park.

THE THREE JOKERS

Nellie Lutchter to Open Engagement at Saddle and Sirloin Monday Night

Nellie Lutchter, Capitol's top recording star who makes her initial bow in Palm Springs at the Saddle and Sirloin Monday February 1, follows close upon the heels of another smash hit at the same spot—The Four Jokers.

The four Jokers and their stay at the Saddle and Sirloin Sunday night after setting new attendance records at the popular night club.

Nellie Lutchter, the colored lass has a natural Scotch burr in her singing and has been tabbed by critics as "That Real Gone Girl."

Her Scotch burr caused her quite a bit of worry during her recent tour of Scotland. There, she feared that the audiences to which she sang would think that she was mocking them. Nevertheless, she so delighted Glasgow audiences that she was rebooked for a second tour. In England she was in great demand playing 30 engagements and to more than 250,000 people. She will return to the scene of this triumph in the Spring, said to be an unheard of procedure in European bookings for American artists.

Among some of the songs

that brought fame to Miss Lutchter are: "Real Gone Guy," "Hurry On Down," "Fine Brown Frame" and others.

Appearing at the nation's finest night clubs and theaters, billed as one of the country's top ranking vocal stars, Nellie Lutchter is accompanied in her singing by a bass and guitar in addition to her own inimitable piano playing.

Hold Suspect in Airplane Theft

M. L. Resner, of Opolis, Kansas, was ordered held for trial in superior court on charge of stealing an airplane at Blythe and taking a joy ride to Palm Springs. He was arrested here last week and returned to Blythe where he was ordered held for trial.

Resner told officials that the plane he stole in Blythe and flew to Palm Springs was the second he had taken. He admitted, officers said, that he had also stolen a plane in Canada and flown it south, crashing but escaping unhurt.

Modified Manager Form of County Rule is Urged

Modified form of a manager government for Riverside county was recommended in a report filed by the county grand jury with superior court as it concluded its studies and duties Friday.

The recommendation was in line with suggestions by many civic leaders now studying a charter form of government for the county.

In its report the jury said that it felt there is now a lack of effective administrative liaison between supervisors and heads of departments and between supervisors and the general public. This exists to a degree, the jurors said, that has from time to time mitigated against

good government.

Great growth of the county was cited as one of the causes for a change in the form of government.

"It is our feeling, therefore, that the Board of Supervisors at its next budget session should provide for an administrative assistant to the Board of Supervisors and such staff as may be necessary to do the administrative field work for the Board of Supervisors, digest and evaluate reports for the Board of Supervisors, and to perform such other duties as may be necessary to assist the Board of Supervisors in effectively carrying out its statutory duties," the jury said.

If the supervisors act according to the proposal made by the Grand Jury, the county government will be about as close to the manager form of government as it can be under the laws that govern now.

Trailfinders Ask Abandonment of New Route Plan

Harry C. James of Banning, president of the Trailfinders, told the county supervisors last week that their proposal for a route through Joshua Tree National Monument between Indio and Twentynine Palms should be abandoned.

The Trailfinders is a non-profit corporation and an outdoor organization for boys.

He said that "the saving of Joshua Tree National Monument in its present condition, unspoiled by too many improvements" will in the long run prove more remunerative to the surrounding desert communities of both Riverside and San Bernardino counties.

Despite the action of the Trailfinders, supervisors Monday adopted a resolution asking the state highway commission to make the survey. They recommended the route through the monument and by way of Blue Cut pass through the Little San Bernardino mountains. The vote Monday was unanimous.

The wonderful fresh flavor of Carnation Cottage Cheese is just not like anything else. Carnation makes it fresh every day, and you certainly can tell it! Here is a nice idea for your next party:

Carnation Cottage Cheese RELISH TRAY

Mix 1 pint (2 cups) Carnation Cottage Cheese, 1/2 cup sour cream, 1/4 cup chopped celery, 1/4 cup chopped pimiento or stuffed olives and 1/2 teaspoon seasoning salt. Serve on lettuce-lined salad tray, surrounded by celery and carrot strips, cauliflowerets, sliced tomatoes.

Historical Trees

Lovely green-gray olive trees were first grown in Assyria, then taken to the Holy Land. Longest-lived of fruit trees, many thriving groves are over 400 years old. The six remaining olive trees in the Garden of Gethsemane are known to be over 2000 years old!

YOUR PRESSING CLOTH is always handy if you tuck it into a couple of 6-in. pieces of elastic tape, tacked to the underside of your ironing board.

Delicious Carnation Cottage Cheese is also an *unusually* fine high-protein food. A serving (1/2 cup) gives about 3 times the protein of a glass of milk. Ounce for ounce, Carnation Cottage Cheese supplies about the same amount of fine quality protein as meat.

(Makes 4-6 servings)
2 cups Carnation Cottage Cheese
1 cup (6-7 oz. can) tuna
1/4 teaspoon paprika
1 teaspoon steak sauce
1 egg
1/2 cup cracker crumbs
1 teaspoon salt

Combine cheese, tuna, seasonings, egg and 1/2 cup cracker crumbs. Place in buttered 1 1/2 qt. casserole; top with remaining crumbs. Bake in moderate oven (350° F.) about 30 min.

CARNATION COTTAGE CHEESE "DOINGS"

STUFFIN': Mix 1 cup Carnation Cottage Cheese, 1 tablespoon Roquefort-type cheese, 1/2 teaspoon salt, 1 tablespoon grated onion. Chill; stuff in celery or green pepper cups.

WINTER SALAD: Tiny whole beets with Carnation Cottage Cheese and french-cut fresh-cooked or canned green beans, tangy French dressing.

UNUSUAL DESSERTS: Carnation Cottage Cheese with hot, spicy gingerbread and a dash of nutmeg... or tiny, thin pancakes topped with Carnation Cottage Cheese and strawberry jam.

Foot Notes

By LYNN EMRICK
Every Saturday morning Dr. Smith of the Desert Museum takes a group of enthused desert hikers on field trips. There have been as many as ninety-six on these trips and often they report back to the office of the pleasures they had received from these outdoor excursions. To a newcomer, I would like to make known that these field trips are open to the public. Only requirement is to bring your own lunch and

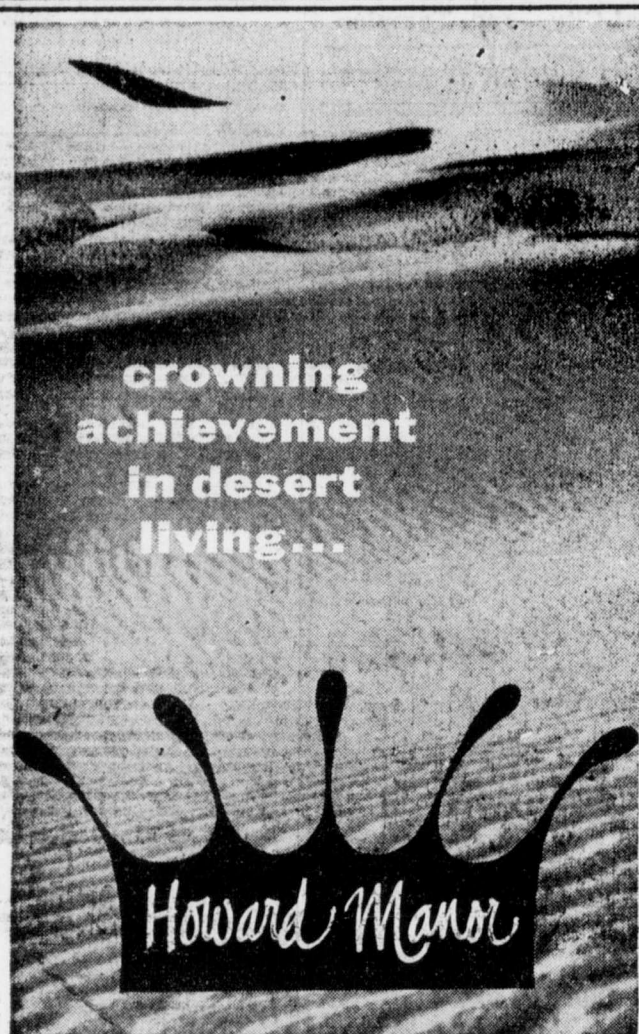

water. With Spring just around the corner there will be many picturesque sights to view. Desert wild flowers will become a carpet of beauty. The rose-purple Sand Verbena with its low, delicate clusters of flowers covers a tremendous area of sand dunes. The Desert Primrose with its large clear white petals grows in the same locality of the Verbena and becomes an interesting contrast to the vivid colored Verbena. Many other flowers like the Desert Lily or the Wild Heliotrope will be found in our desert this Spring.

As to fauna there may be occasions when the hiker will catch a glimpse of mountain sheep. A familiar denizen of the Colorado desert is the large jackrabbit. Because most of the animals are small and shy and frequently nocturnal in their habits they will not be seen. The roadrunner has a reputation of being the comedian of the southwest. Therefore, a rendezvous with this winged Bob Hope will bring you sparkling and tickling entertainment. Field trips scheduled for February are the following canyons: Hidden Spring, Magnesia, Corkscrew and Falls Creek.

Rounders Open at Howard Manor Tonight

A talent-packed group known as The Rounders make their Palm Springs debut in the Manor Room of Bob and Andrea Howard's Howard Manor this evening January 28.

A recent discovery of Edgar Bergen, with whom they toured the country with spectacular success, The Rounders are a triple threat, musically speaking, being equally adept in the vocal, instrumental and comedy departments.

The Rounders recently added a neat package of entertainment to their act. Tabby Calvin, Miss Calvin's songs, blended with the vocal arrangements of The Rounders, are aptly titled "A concert in contrast." Tabby was a featured vocalist with Vaughn Monroe for two years and has made several records for Victor.

Bishop Bloy to be at St. Paul's Church Sunday

The Right Reverend Francis Eric Bloy, Bishop of the Diocese of Los Angeles, will make his Episcopal Visitation to St. Paul's in the Desert Episcopal church Sunday, January 31 to conduct the Rite of Confirmation. The Rev. William A. Blanton Jr., rector of St. Paul's, will present a number of candidates, both young people and adults to the Bishop at the 11 a. m. service to receive the laying-on of hands and reception into the Episcopal church. The service at 11 a. m. will be a combination of Morning Prayer and Confirmation, with Bishop Bloy preaching the sermon.

Although the Suffragan, or Assistant Bishop has visited Palm Springs at least once a year during the past three years, this will be the first visit by Bishop Bloy to the area in that time. Episcopalians in the area are, therefore, looking forward to hearing and meeting their Diocesan Bishop.

Episcopal ministers and laymen throughout Southern California will be in attendance at the 59th Annual Convention of the Diocese of Los Angeles at St. Paul's Cathedral in Los Angeles on Tuesday, Wednesday and Thursday of this week. At this time the work and plans for the Episcopal church throughout southern California is formulated each year, with clergymen and laymen participating in the decisions made. Local representatives include Father Blanton, Frank W. Camp, John M. Connel and Rex Hardy. Over 100 Episcopal churches will be represented at the convention this year.

The women of the Diocese will meet in St. Paul's Cathedral on Tuesday, January 26 to discuss business affecting the Woman's Auxiliary of the church.

Because of the Convention, there will be no Thursday celebration of the Holy Communion at St. Paul's in the Desert this week. Sunday services will include, as usual: Holy Communion at 8 a. m., Church school and Family Service at 9:30 a. m., and the Confirmation service at 11 a. m.

Pledge Signing Marks Service

"The Challenge of an Enlarging Vision" will be the subject of Pastor D. Kenneth Smith at Sabbath services of the Palm Springs Seventh-day Adventist church Saturday at 11 a. m.

During the missionary period following the Sabbath school program, the members of the church and visitors who wish to, will participate in a temperance pledge signing ceremony. All will be asked to sign pledges of total abstinence from the use of alcoholic beverages in any form as the beginning of the denomination's 1954 drive to rouse public opinion to the need of placing stricter control on liquor.

The event in which the local church is participating is nationwide and is being observed by nearly 3,000 Adventist churches in North America. It represents one of the chief faces of the denomination's health education program, according to Pastor Smith.

Mrs. Armacost Church Speaker

Women's Auxiliary of Cathedral City Community church will meet today at the home of Mrs. Charles H. Nott, 71-631 Sahara road, Rancho Mirage, to hear Mrs. George Armacost of Redlands as guest speaker.

The meeting will start at 1:45 p. m.

Sunday morning Dr. Graham Hunter, pastor, will conduct the 11 a. m. service with Bible school classes at 9:30 a. m.

Weekly Bible school classes are held each Wednesday in the Parish Hall at 2:30 p. m. The weekly prayer group meets Thursdays in the church at 11:45 a. m.

Junior choir rehearsals are held Wednesdays at 3:15 p. m.

SUNDAY SERMON ON LOVE OF GOD

The Sunday Lesson-Sermon in all Christian Science churches is entitled "Love." The sermon speaks of the loveliness and healing, protecting care of the Father.

The Psalmist declares in the Golden Text (145:8,9), "The Lord is gracious, and full of compassion; . . . The Lord is good to all: and his tender mercies are over all his works."

A Scriptural citation from Matthew (9:2, 6-8) relates how Jesus, in the face of opposition and doubt, healed a man sick of the palsy, saying unto him, "Son, be of good cheer; thy sins be forgiven thee. . . . Arise, take up thy bed, and go unto thine house. And he arose, and departed to his house. . . . When the multitudes saw it, they marvelled, and glorified God, which had given such power unto men."

"Our Master cast out devils (evils) and healed the sick," affirms Mary Baker Eddy in "Science and Health with Key to the Scriptures." She adds, "It should be said of his followers also, that they cast fear and all evil out of themselves and others and heal the sick. God will heal the sick through man, whenever man is governed by God." (p. 494).

Spiritual Hunger to be Discussed by Dr. Blackstone

Dr. James H. Blackstone Jr. will speak on "Spiritual Hunger" Sunday morning at 11 a. m. at Palm Springs Community church.

Annual Winter Bible Conference will begin Sunday at 7:30 p. m. with Dr. Frank Warren, president of Whitworth College in Spokane, Washington, as the speaker. His subject Sunday night will be "Christ's Word for Today." The meetings will run Monday through Friday evening. Dr. Warren will also speak each morning at 10 a. m. except Wednesday. Fashion Show

The fourth annual Fashion Show of the Cathedral City Woman's club is to be held next Wednesday afternoon starting at one o'clock at the Desert Air Hotel in Rancho Mirage. This is an event that has met with a great deal of enthusiasm in the past, and this year, with the theme "Sun, Sand and Stars," the plans are for a more elaborate showing than ever before. Gertrude Benoist, owner of Desert Air Shop and Fern and Ben Scott of Scott's Desert Wear,

have had this show in mind for many months and are showing the latest fashions to wear the clock around, emphasizing the theme "Sun, Sand and Stars." Desert Air Hotel is again graciously extending to the club the facilities of the hotel for this event. The guests will be seated around the lovely glass enclosed swimming pool which the models will circle. "Chuck" Travis, the talented and versatile pianist who entertains nightly at the hotel, will play throughout the afternoon. The success of the past shows staged

by the Cathedral City Woman's Club has been due to the work and planning of LaVerle King and Marjorie Ballagh, who are again coordinating and planning the current extravaganza, and both are enthusiastic and excited with the way this event is shaping up. Mildred Clark who has emceed the past shows will again be at the microphone of the public address system which is supplied by courtesy of the Bernhard and Waller T. V. Store. The chairmen extend a most cordial welcome to every one to attend, and it is not necessary to make reservations. Tickets can be purchased at the door. They also urge noting of the starting time, one o'clock.

Cub Scout Meeting

Cub Scouts, Pack 81, held a special meeting last Thursday

at the Town Hall to hear an address by Robert Toronto, field executive Boy Scouts of America, Riverside County Council. Nineteen boys were in attendance headed by Curt Ring, Cub Scout Master, and assistant Robert Brady. Den mothers present were Mmes. Robert Brady, Burton Lamb, Howard Deason and Margaret Rudd. Mr. Toronto gave an interesting and inspiring talk on Scout ideals and activities, and complimented the local group on its size and accomplishments.

Bridal Shower

A bridal shower honoring Miss Fern Brown was given at the home of Mrs. Peggy Deason last Thursday evening. A buffet table decorated with gladioli and soft candle light was spread. Guests were Ruth Metz,

Corinne Sussman, Annette Scavani, Eloise Nuten, Mary Trumble, Doris Brown, Hazel Ketchersid, June Myers, Lila Wade, Rena Estel, Sybil Begley, Marjorie Crommelin, Dottie Harris, Angie Shirley, and Charlene Lotz.

School Club Meets

The Cathedral City School club met last week to plan the annual fund-raising event. It has been traditional in the past to have a fund raising event during the first half of February. This money provides the funds for the 250 Christmas stockings for the pre-school and school children. It is also used to provide parties for the children during the school year, and for an annual gift to the school. It was decided to have a carnival this year on February

12 to include games, show, movies, dancing, and supper. Parents will be asked to supply candy and food as well as articles for a white elephant sale. The event will be in charge of Mrs. Madeline Galliani, chairman of the ways and means committee, assisted by Mmes. Shirley Picard, Mary Prudent, and Bernice Lawrence.

Navy in Action

Lions Club will view sound pictures of the navy in action at their dinner meeting to be held this evening at Town Hall. Captain S. L. Owens, U.S.N., retired, a winter resident at Sky Ridge Trailer Park is showing the film together with a private collection of his own. President Francis Wood reports that new members inducted at the last meeting were Ralph Croom, Ro-

bert Erter and Marion Woody.

Events in Brief

The March of Dimes Fund reports receipt of one hundred five dollars raised by residents of Deluxe Trailer Park at a pie auction held in the Park Recreation Hall last week. This sum is in addition to the heavy contributions already made in the March of Dimes receptacles at the park which have not yet been collected.

The February meeting of the Chamber of Commerce board of directors will be held next Tuesday evening at 7:30 in the Library. A committee consisting of N. C. Wickland, Arthur E. Miller, Edward Koenig, Mrs. M. E. Hargis, Walter Melrose and W. R. Hillery has been asked to meet with the directors to de-

Sid Haltman of the Sandunes apartments thought that the day after tomorrow was already here last Thursday. A little army helicopter fluttered down in his back yard to enable the operator to make reservation for accommodations over the weekend.

With Hildy Crawford

Some people say . . . they like Palm Springs because . . . it's gay and casual and filled with joie de vivre . . . Others like it because the desert stretches from its doorstep . . . and the mountains hold it in a warm embrace . . . They come here seeking succor from the turmoil of the Big Town . . . Some come for poolside lazing . . . and some for golf or riding on the desert . . . Some like the sun-kissed days . . . and some the star-studded night . . . But, they come . . . and they keep on coming back . . .

A lot of "no vacancy" signs popped out all over town this past weekend . . . as an estimated crowd of 20,000 poured in for the road races . . . and the heavy traffic was liberally sprinkled with racy sports cars . . .

Golden Circle

The Golden Circle at the airport was the gathering place for a goodly number of socialites despite the sprinkles . . . which made rain garb fashionable . . . In Saturday afternoon's crowd I saw Dr. John and Gwen Costello, who are back from their trip to Spain and Portugal . . . They had with them their houseguests Dr. and Mrs. Bill Robinson of Los Angeles . . . In the crowd were Babe Churchill, Ruby Fallgren, the Jack Kenastons, Bob Kenastons, Al and Nellis Hunt . . . Elsinore Machris with Mimi Harris and Joli Freeberg . . . Dolly Marouse, Bud and Eve Graves, Eve and Bill Brooks with the Cromies and Mrs. Robert Norton of Vancouver . . . Commander and Louise Horner, Dorothy Gazda . . . Bob Howard, the William Dohenys . . . Forrest Bere of Portland talking with Frank Belcher (he's the one who is supposed to be the nation's best-dressed man) . . .

Practically all of these were out again Sunday afternoon . . . Both the Graves and the Monte Herberths had their cars in the Concours d'Elegance . . . On Sunday afternoon I saw Dick and Edith Edwards, Norma Pagano, the Clarence Browns, Sis Callner, Fred Ingram, James Hammond, George Strebe, McCoubrey . . . Howard and Kay Morris, Ward and Edna Risvold and their guests the Bob Fahys of Banning, Oliver Jaynes . . .

Sunday night saw The Ranch crowded with the racing car crowd . . . for the Victory dinner . . . Among Villagers in the crowd were . . . the Howard Morrises . . . Mr. and Mrs. Monte Warshawer . . . Sis Callner with a party . . . Elsinore Machris . . . the Monte Herberths . . .

Memorable Party

Music by the Guadalajara Boys . . . Phil Harris singing with one of his own recordings . . . and food by Santos . . . made the Saturday night cocktail party given by George E. Cameron Jr. a memorable affair . . . About 100 guests gathered about the bar and blazing brazier by the pool . . . chatted in the livingroom . . . and circled the buffet table in the diningroom that overlooks the Thunderbird greens . . . Gussie Moran (looking gorgeous) was there with Eddie Hand . . . and I was wrong . . . she's still "our Gussie" . . . Peggy Lester was there with her sprained ankle in a cast . . . What a time to pick to run out of gasoline and have to walk over to the party! . . . The Russ Wades, the Ed Thrashers and the Ray Corlisses arriving together . . . and the Corlisses were talking about their day . . . tobogganing at Idyllwild with their youngsters . . . The very attractive Judy Howard was doing a dance with Barney Hinkle . . .

Lots of Thunderbird residents at the party . . . Among the guests were Jack and Helen Kenaston, the Ralph Singers, Lou Manseaus, Mr. and Mrs. Milt Hicks, Harold Hicks . . . Johnny Dawsons . . . Emily DeWare, the Paul Proms, Mr. and Mrs. Holmes Tuttle of Los Angeles . . . Mr. and Mrs. Pollard Simons . . . and Virginia Hobbs and John Swope of "Life" magazine . . . who were taking pictures . . .

A Shindig

From the Cameron party I moved on to the Palm Gulch Shindig at the Desert Inn Saturday night . . . and, honestly, it was a ball . . . The dignified diningroom had gone Western . . . along with the guests . . . and there was even a line of washing strung across one corner of the room . . . There was the usual good dinner . . . music by Five Bits of Rhythm (that's made up of Fullerton policemen, I heard . . . anyway they're not only good at music . . . they harmonize beautifully) . . . Trixie Jarrette's can can dancers . . . and Johnny Boyle with his guitar added to the entertainment . . . The room was filled with diners . . . with quite a number in costume and in the mood . . . The Gilded Lily Saloon with its "gambling" games intrigued me . . . Guests traded "gold nuggets" for chips . . . and if you were skillful enough to stack

Elaborate plans are underway to make this year's card party surpass all others.

Theodora went in especially to attend a meeting of the Los Angeles Orphanage board today . . . which will be addressed by His Eminence Cardinal McIntyre . . . On their return they will visit the Flemings at their Via Lola home . . . Tomorrow night Tom and Theodora will attend the big Latin party being given the Sam Kramers of La Habra.

Guid Scots

All "guid Scots" know that January 25 is Robbie Burns' birthday . . . and it's the one anniversary that Dr. P. A. Staley takes seriously . . . so Monday night, he and Mrs. Staley entertained a few friends at dinner . . . Piece de resistance was a genuine haggis . . . which Howard Morris had flown down from Vancouver for the occasion . . . If you don't know what a haggis is I am not going to tell you . . . You can ask one of the guests . . . Howard and Kay Morris and Kay's mother Mrs. Ella Kelly, Oliver and Frankie Jaynes and Jock Williamson . . . There were pictures of the bonny braes and lochs of Scotland . . . recordings of bagpipes wailing . . . and much quoting of the beloved poet . . . and I rather think Jock showed up in kilts . . .

The Ralph Hemphills of Beverly Hills . . . who are frequent visitors in Palm Springs during the season . . . have announced the engagement of their daughter Audrey Jane to Raoul Paul Esnard Jr. . . . The announcement was made Sunday night at the Beverly Hills Club . . . The young couple met on the SC

Many from Northwest at Oasis

The great Northwest is well represented at Hotel the Oasis for the season. Among those greeting old friends about the Oasis grounds after having arrived this week are Dr. and Mrs. Tom Mesdag and Mrs. Gilbert Duffy, all of Seattle. Mrs. Duffy and Mrs. Mesdag are daughters of Col. Blethen who started that city's Times newspaper, termed one of the northwest's outstanding news chronicles and still is being operated by the family.

Others from the Northwest taking their sunshine by the pool at the Oasis are Mr. and Mrs. Richard Ellis, Seattle; Mr. and Mrs. W. G. McLaren, Seattle; Mrs. L. E. Watkins, Portland; Mr. and Mrs. E. G. Gates, Medford, Oregon; Mr. and Mrs. A. B. McEachern and Mr. and Mrs. J. A. McEachern, both of Seattle.

Other interesting guests at the beautiful Oasis this winter are: Mr. and Mrs. Grinnell Burt, who have a large olive ranch at Palermo in Butte County. Stopping en route to Honolulu for a few days of desert sunshine are Mr. and Mrs. A. Brody of Des Moines, Iowa.

Down from Los Angeles are Mr. and Mrs. I. C. Fellows, and from Berkeley are Dr. and Mrs. H. Fischer.

Barretts Are Dinner Hosts

Mr. and Mrs. George Barrett, of Chicago and Palm Springs, were hosts at a dinner at the Racquet Club Friday evening.

Their guests included Mr. and Mrs. Bentley Handwork, Bill Boggess, and Horace McCoy, whose best seller "Scalpel" is being made into a motion picture.

The Jack Meiselmans were dining with their friend Mrs. Joe Kaufman of Los Angeles, who is vacationing here.

Renewing wartime memories of Palm Springs by vacationing at the Racquet Club was Major Richard E. Loomis chatting with Marjorie Pohl. They both were at the Air Transport Command's local base for the last months of the war. The Major, who is now stationed at Elmendorf Air Force Base in Alaska, headed north Tuesday with Major Martin Lancer of the Air Force Reserve.

Woman's Club Dedicate New Piano

It is very fitting that the top musical program of the year has been selected for the Palm Springs Woman's Club meeting on Monday afternoon, as the club's new piano will be dedicated at that time.

Returning for the second year is that very beautiful and talented concert violinist, Doris Crane who appeared on a club program last season. The program, titled "Romany Nights" will also present Bonnie Murray and Sergei Malavsky.

Miss Murray, well-known soprano of concert and opera, sang the role of "Kate" in "Oklahoma", coming to Los Angeles with that company. Winner of the Atwater-Kent audition in 1949, she appeared twice at the Hollywood Bowl and sang leading roles in various operettas at the Greek Theater.

Malavsky is a concert pianist, conductor and arranger, and is the accompanist for Ezio Pinza when Mr. Pinza is on the West Coast. He wrote the vocal score for "Tonight We Sing" and "World in His Arms," and has given concerts in all the Army hospitals.

Grace Pope leaves tomorrow for a business and pleasure trip to San Francisco. She expects to be away for a week.

New Play is Rated as High Comedy

"Fresh Fields," which opened Tuesday night at the Palm Springs Playhouse, was rated as a highly amusing comedy by the audience of First Nighters.

The play, which continues through Sunday night, has witty lines which are well-handled by the Playhouse cast. In their usual capable fashion the players infuse their characterizations with sparkling life and don't lose a laugh.

Helen Stenborg as the rather flighty Lady Lillian is at her very best and Mary Foskett has a role that seems to have been created for her. Director Michael Ferrall, always a favorite when he dons greasepaint, has a rough diamond role in the play, and all of Barnard Hughes' fans think he makes a superb butler.

Likable Tim O'Connor turns in another professional performance and Barbara Morrison as Lady Mary gives an entertaining interpretation. Also in the cast are Peggy Walker, Ethel Fox and Phyllis Flax and each contribute to the excellent performance.

Opening next Tuesday night will be F. Hugh Herbert's "The Moon is Blue."

New Yorkers Among Guests at Wonder Palm

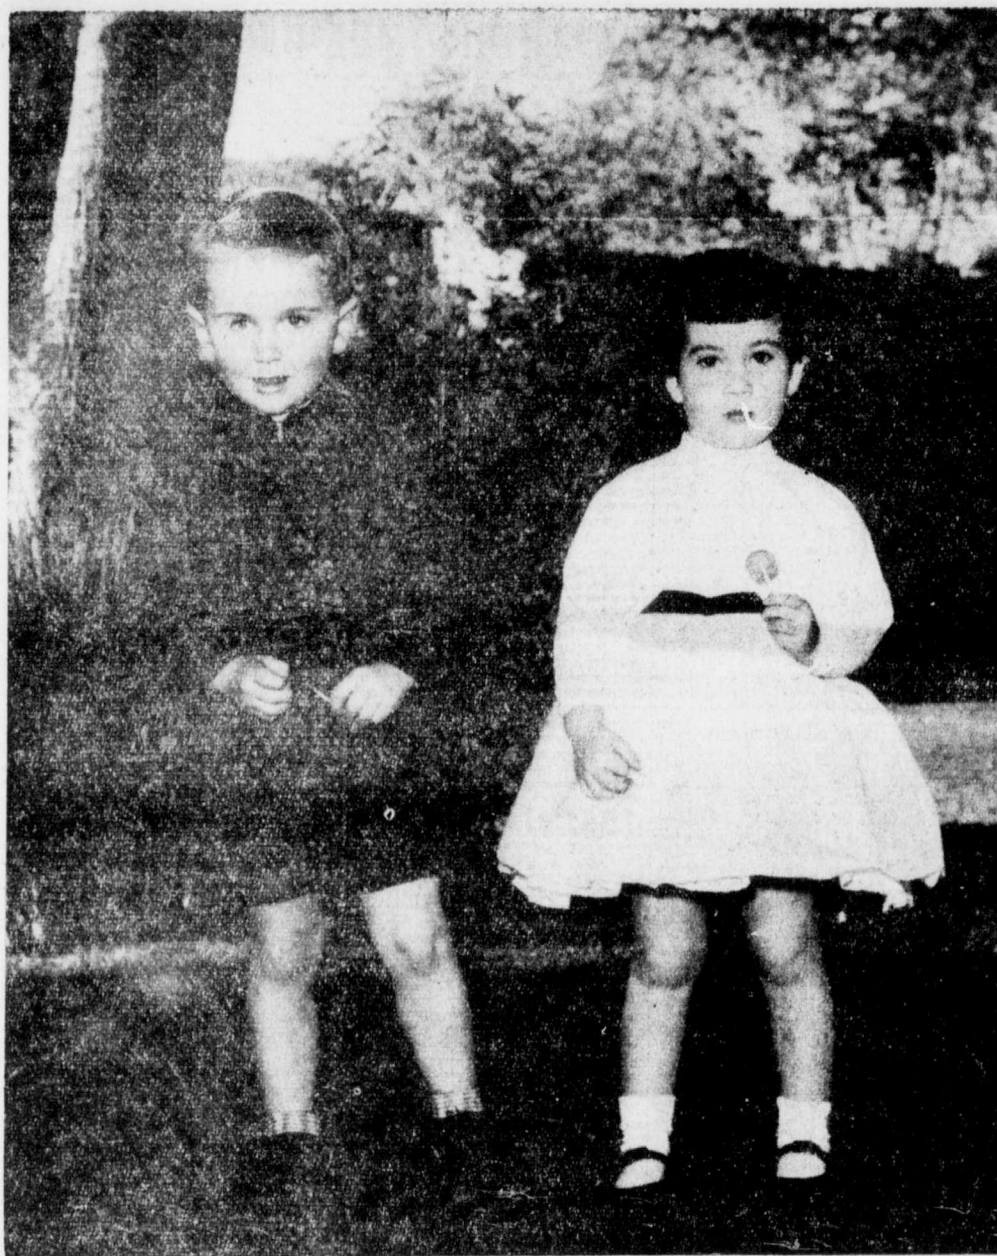

Mr. and Mrs. Ernest O. Machlin of New York City have arrived at Wonder Palms for their annual Winter visit to the desert and plan to stay until the middle of April. Other New Yorkers enjoying a Desert Holiday at Wonder Palms are Mr. and Mrs. H. D. Carter of Scarsdale; and Messrs. John L. Sinn and M. J. Rifkin of New York City.

New York is not the only state represented, however, as others enjoying the sun are Mr. and Mrs. G. G. Roberts of Rapid City, South Dakota; Mr. and Mrs. Jess Kortz of Denver, Colorado; Dr. and Mrs. S. C. Widney, Jr. of Albuquerque, New Mexico; Miss Evelyn Gillette of North Arlington, New Jersey; Mr. and Mrs. M. Novak of Clayton, Missouri; and Mr. and Mrs. Leo Goldstein and daughter, Mrs. Weinberg of Chicago, Illinois.

Other guests are Mr. and Mrs. James Fonda of North Hollywood; Mr. and Mrs. Raymond Lee of Beverly Hills; Mr. and Mrs. T. A. Wilson and Mr. and Mrs. M. M. Kensrus of Playa del Rey; and Mr. and Mrs. Paul Ridley and daughter of Santa Monica. Mr. and Mrs. Holeman Grigsby of San Marino and Mr. and Mrs. J. R. Johnson of Arcadia are also enjoying a desert holiday at Wonder Palms.

District Officers to Visit Legion Auxiliary Tuesday

Highlight of Tuesday's (February 2) meeting of Owen Coffman Unit No. 519, will be the official visit of the president of the 21st District. She is Mrs. Esther Schultz of Fullerton and she will be accompanied by other officers and chairman. Hazel Rokes, second vice president of Fullerton; Marian Matthews, parliamentary chairman of Santa Ana; Frances Wilson, radio chairman of Santa Ana; Irene Glittens, rehabilitation chairman of Santa Ana; and Irene Ashman, publicity chairman of La Habra.

In honor of these officials and their visit the Unit members will serve a home-cooked buffet dinner, at 6:30 in the Auxiliary hall. Legion Post members are invited dinner-guests.

Emma Shurtleff is chairman and Violet Knapp co-chairman of the dinner, assisted by other members. President Marian Lienau will

convene the Auxiliary meeting promptly at 8 o'clock.

New members initiated at the previous meeting, January 19, were Theodora Bliler, Helen Smith and Marjorie Warner.

Two Couples Observe Their Anniversaries

The Anniversary Song was the theme of the evening at Wonder Palms Sunday as two anniversaries were celebrated. Mr. and Mrs. Joseph Loeb of the El Royale Apartments, Hollywood, (he is the head of Loeb and Loeb, attorneys) and Mr. and Mrs. Jay Kulick of Beverly Hills, were the happy couples.

All of the guests joined in the song played by the hotel's entertaining trio, "The Two Guys and I," as Manager Bill Walsh presented each couple with an anniversary cake.

Ex-Villager Visits Here

Former Villager Marie Johnson, just back from two years in Europe, is the houseguest of Anita Haskell Jones. Mrs. Johnson is the sister of the late Frank Lamb, who was president of Triplex Corporation of America, (largest piston manufacturing company in the country).

Mrs. Jones has been down at Newport Harbor, where she was the guest of Fred and Carlotta Windemere. The Windemeres have just brought their beautiful new yacht, a motor sailer, down from Seattle.

Extend Deadline on P.O. Places

S. Merritt Williams, acting postmaster, Tuesday announced that closing date for applications for position of clerk-carrier at the Palm Springs post office has been extended.

The hourly pay rate begins at \$1.61½ per hour, he said. Application forms may be obtained at the post office.

Hotel the Oasis Chef Ready for Parties of Any Size

Chef Reinhold Keller, executive chef for all Western Hotels Inc., in Palm Springs this season at Hotel the Oasis, is evoking enthusiasm from all local residents with parties in mind.

"If it's a party of two or two hundred you are planning," Chef Keller said, "see me and a specially prepared menu will be planned or you."

The chef also promised that with one day's notice he can prepare any type of Continental dish for a dinner party. Among the selections for which he has won fame are foods which might be found in Paris, London, Rome, Berlin or Vienna. They include such favorites as: Veal Marengo-Italian; Mignons of Beef Tenderloin from Cafe Martin; Lobster American (created in Peter's Cafe, Paris); Lamb curry a L'Indienne, and many more.

Chef Keller also thinks of the dieting diners. He is noted for his salads with special dressings. To add zip to a luncheon dish he always has a home-baked roll such as one of his famous recipes for hot rum or pecan muffins and tiny blueberry rolls.

For 12 years Chef Keller was Statler Hotel's top food authority. Besides his many tasty foreign dishes, he always concentrates on the good old American choice—roast beef.

Bob Metzendorf, manager of Hotel the Oasis, announced there are adequate facilities for Palm Springs hostesses and bridge and canasta groups to meet for luncheon or dinner in the new Terrace room. He invited visitors to come in to see the bright sun-splashed room with its view of the hotel's thick carpeted lawns and sparkling pools.

and PALM SPRINGS NEWS
PALM SPRINGS, CALIFORNIA
Thursday, January 23, 1954

The tempo of activity in our wonderful desert is increasing by leaps and bounds now as we ready ourselves to swing into the peak of the Winter season. At the Desert Air hotel over the past weekend enjoyed one of Chef George Haubel's Specials. While watching the airplanes come and go at the same spot, noticed William Boyd (Hop-along Cassidy) waiting at the airstrip for his friend, Brian Donlevy to fly in. Brian owns a Navion and is one of Movie-dom's top pilots. Plans are in readiness to again use Desert Air as the termination point for a cross country air race starting from Philadelphia. This gala event is sponsored by the J. C. C. of Philadelphia and is an annual affair. Desert Air was the termination point last May. Expect to have the race go on the early part of June. Wonder if there is going to be another Lutan this year? Harry Greenwood (the Poor Man's Houdini) tells me that is the sixty-four dollar question? Some of the local folks missed it last year and it was one of the gayest parties of the season.

I predicted départment: A few weeks ago was talking to Lloyd King of San Diego who is practically a permanent guest at Desert Air. Lloyd being a golf enthusiast mentioned that he intended taking a ride over to Rancho Santa Fe to see some of the golf tournament there (San Diego Open) and here is exactly what he told me "Watch this lad Littler, I wouldn't be surprised to see him take the pros at five shots at the Rancho Course and this prediction come out to the tee or is it green?"

In and out—Judge Francis Krull back from a world cruise, telling us about wonderful days on the Riviera in Spain and Glasgow, Scotland; Belfast, Ireland too. The Judge a long

(Edward Canny Photo) **SUNNING** — Soaking in the desert sunshine while holidaying at Hotel the Oasis are Mr. and Mrs. Albert Turrill of Wenatchee, Washington, here for a few days of rest and relaxation. Mr. Turrill is manager of the Cascadian Hotel, another Western Hotel Inc. operated hostelry in the northwest.

time desert resident holds the title of "Poet Laureate" of Rancho Mirage. At the drop of a hat he whips up a poem to fit any situation. Mary Branch, back from a Caribbean cruise enjoying Desert Air's pool, Bill and Eve Molin stopped by to say their fellow townsman, Stan Olson, phoned them from Minneapolis to say it was 18 degrees below. Stan said he's loading up his golf clubs and heading west for a few months on the greens at Thunderbird.

From up in "Maple Leaf" country, Winnipeg to be exact, our good friends, Harold Smith and Tom Greenman. These lads are in the grain business and are staying at Palm Desert Adobe owned by Harold's daughter and son-in-law, Marilyn and Jim Harstad. To quote Marilyn, "Harold got away from Josephine for some sun, some

horses and general horsing around."

Dick Bagdasarian better known as "Mr. Grape" stopped in to give us the latest news on Thompson Seedless grapes—Carinals too. Dick's brother Ross Bagdasarian of "Come on a my house" fame has just come up

with new hit "Hey brother pour the wine"—I heard it on the Jack Benny show last Sunday.
